

Dinner Meeting

Monday September 13, 2010

Topic: Debra Levy Neimark Scholarship Dinner

Each year, the Fort Lauderdale/Broward County NAWBO Chapter, in conjunction with the Broward Community Foundation and Broward College, awards scholarships to female students pursuing a degree in higher education. The scholarships are awarded for academic excellence, financial need, and community involvement.

This program always proves to be one of our most inspirational meetings of the year, as our recipients share their moving and encouraging stories. You will want to join us for this special evening.

The Debra Levy Neimark Scholarship was created to honor a member's legacy and her commitment to NAWBO. Debra Levy Neimark was an appellate attorney, a civic-minded volunteer, and an active member of NAWBO. When she passed away tragically at the young age of 33, her husband Cort, together with her fellow members of the Fort Lauderdale NAWBO chapter, established a charitable trust in her memory. The Scholarship began helping young women pursue college degrees and vocational training in 1989. This fund is supported by our chapter's monthly raffle drawings.
